March 26, 2010

Dear Brethren:

Greetings in the name of our risen Lord and Savior, Jesus Christ. "Because He lives we can face tomorrow." This is the hope of the Gospel!

The Lord continues to open days for me to present the Middle East Baptist Seminary to churches. If you would like for me to come to your church, we now have an excellent 14-minute DVD featuring the ministries of GBC & MEBS. It is important to us that our supporters be able to visualize these ministries. It is truly a great and effectual door that the Lord has opened unto us. The presentation is exciting and it encourages mission mindedness. During the first quarter of 2010 I have been blessed to preach in missions and Bible Conferences in Georgia, North Carolina, Virginia and California. Please continue to pray that God will use me as an instrument in His hands to advance the Kingdom of God and glorify His name.

**Pastor & Mrs. James Hall**

Recently one of our dearest pastor friends and supporters of these ministries, Pastor James Hall, went home to be with the Lord. He was a truly gifted man of God whose ministry touched the lives of thousands. There was not any too poor or too affluent that he would not extend a lifting hand of mercy. He started three Baptist churches, one in Kentucky and two in Georgia. He pastored The Way of the Cross Baptist Church in Conyers, GA for 32 years. His associate pastor, Bill Coleman, a GBC student, has assumed the leadership of the Church. Both Pastor Hall and the church felt it to be God's will. Pastor Coleman is an excellent preacher of the Gospel and under his leadership the church is continuing steadfastly in the work of the Lord.

Dr. Lescelius and I will be traveling back to Alexandria, Egypt for another Middle East Baptist Seminary module, April 14-26, 2010. It will be our blessing to have traveling with us Dr. and Mrs. Bob Doom. They will be helping us with our teaching responsibilities. Lord willing, we will end the MEBS module with another commencement service, April 25, 2010. Rejoice with us! Seven more pastors will graduate having earned their Master of Arts in Theology Degree.

Thank you for your continued prayers and financial support. Without your help we could not accomplish this ministry. You have become the God honoring channel through which He provides the means for us to train Gospel preachers who will impact the Middle East for His glory.
