At Georgia Baptist College our hope is in the Lord  
And in his Cov'nant promise revealed within His word  
He set his love upon us before the world began  
And gave his Son to save us and take away our sin.

At Georgia Baptist College we glory in the cross  
And in the Lamb of Calvary who paid redemption's cost  
With his own blood he purchased a people for His name  
And holiness he gives an inheritance to claim

At Georgia Baptist College we pray that God will move  
In Holy Ghost revival His pow'r and presence prove  
To all the saints who know Him may He reveal His face  
And those who sit in darkness may he give light and grace.
