Dear Praying Friends,

Georgian New Testaments

In recent conversation with Pastor Gary Arutiunov of the Republic of Georgia, he mentioned that he visits the printing company every few days. If he doesn't do that they tend to "drag along." God willing, he anticipates having several hundred copies by August 15th. Rejoice that already we've received \$4,699.00 of the needed \$6,200.00 for this 5,000 copy order. Please pray that the Lord will prepare hearts for each copy that will be placed in the hands of precious eternity-bound souls.

Georgian-English New Testaments

In the same conversation, Brother Arutiunov mentioned that he is helping the set-up man, showing the difference of book order between the Georgian and English New Testaments.

New Project for a Tri-Lingual New Testament for Estonia

We were privileged recently to have an American missionary to Estonia visit our Asheville office. After four hours of conversation giving the background of the Estonian New Testament and Bible, we talked of the practical computer work, size of type, and page size.

It was very encouraging to hear about the reception of a recent printing of the New Testament in Estonia in spite of opposition by the Estonian Bible Society.

We're arranging a proofreading of the Estonian New Testament and Psalms with the Russian Synodal. With all of the projects to be completed in 2011, this project funding will begin in 2012, God willing. However, prayer is requested for wisdom, accuracy, and fidelity to the Received Text in this project.

Romanian Bible Project

The preparation of the computer files for a new printing with necessary corrections will, God willing, be completed by September 1st. We've scheduled to receive new quotes for this project in mid-August, as the others done in March are now obsolete. Prayer for God's clear direction in the country of printing is earnestly requested. We now have \$58,275.11 in hand toward the estimated cost of \$7.50 a copy, or a total of \$112,500.00 for 15,000 copies.

Thank You!

Thanks so very much for your wonderful gift received this month, used 100% as indicated on your receipt. Thanks in anticipation of your prayers for each of the projects mentioned above.

Yours for Strengthening Saints and
Seeing Sinners Saved,

Dr. Bob Doom, Director
