

Trumpeting Noble Truth Ministries
Evangelist Randy Bane

Dear Friends,

Summer 2010

Thank you for your prayers and support of the ministry for another quarter of the year. We appreciate those who believe in and are partners in the work of evangelism.

Donna and I want to announce that our son David was married on June 7 to Lydia Deason from Cookeville, Tennessee. Please pray for this godly couple as they begin their new life together and minister in the field of evangelism. They plan to go to France October through December to continue the Gospel of John and Romans distribution and preach.

This upcoming summer brings a lot of challenges and opportunities to our ministry. We will work in some new fields and revisit some more familiar ones. In June we will be in Manitoba, Canada, July Australia and New Guinea, August Wales and Alaska along with the revival meetings in the States. Enclosed is our tentative schedule. We do have some open dates in the fall.

Please pray for the "Gospel of John and Romans" distribution in Wales. Brother Kieth Davidson and Seedline are gathering materials and printing a beautiful four color special cover. We will need to raise several thousand dollars for the shipping and printing of the covers. Please pray for the Welsh churches and pastors that are involved in this project. The battle is already on over this evangelistic effort.

Please pray for Thompson, Canada and the meetings in Manitoba. This is a pioneer mission church that has faced a lot of battles in the last year. We desire to strengthen the work and evangelize sinners as we labor along side Missionaries Lee Pickett and Gregory Bay.

Please pray for Terry Thurin and the work in New Guinea and Missionaries Buddy Smith and Phil Hyland in Australia. In New Guinea the local high school has opened their doors for gospel meetings and then we will be in churches. In Australia Brother Phil has lined up the schedule for meetings.

Please pray for Alaska as "Operation Saturation" gets underway in June and will continue through the summer. The last of the villages north of the Arctic Circle will be evangelized with the Bible and packets this summer. God willing I will be on the last team for the summer and visit the last village to get the Word of God in every home. We want to pray for Brother Ronnie Starr and Earl Malpass as they fly the teams to these remote villages and locations.

Please pray for our family. Donna and I have just celebrated 29 years of marriage on June 5. She is a faithful companion, friend and mother to our children. Bridger is now 13 years old and is raising a lot of chickens and doing some farming this summer. Colter, who is now ten, will be out of school in a few days and he is looking forward to being in the church services each night this summer.

Again, thank you for your help, prayers, fellowship and support. All you do to help in the ministry is appreciated greatly.

IN HIM,

Evangelist Randy Bane
