Dear Faithful Ones:

*“For if the word spoken by angels was stedfast, and every transgression and disobedience, received a just recompence of reward; How shall we escape, if we neglect so great salvation; which at the first began to be spoken by the Lord, and was confirmed unto us by them that heard him...”*

Hebrews 2:2,3. If we neglect to ask the Lord to forgive us of our sins and come into our hearts, we will never escape the ravages of sin.

Our Lord has placed me in a place where there are so many who are lost. However, I have the opportunity to go and tell them of God’s love and saving grace. The Lord has used me over many years to reach people by pointing them to Christ.

There was a man who was living on the same hall as me. I had seen and spoken to him occasionally. One Saturday as I started to pass his room, I heard a small still voice say to me, “Go back.” I was faithful and went back to his door and knocked. When he came to the door, I asked the man if I could read the Word of God to him. He said, “Yes.” I was able to lead him to Christ. What a blessing it was to know that he trusted Christ, especially since he passed away a few weeks later. Please pray for me as I talk with his family. I was able to point the man to Christ but there is a daughter, three sons, and grandchildren.

I was witnessing to a young man and asked him where he would spend eternity if he died. He said, “Heaven.” I asked him what he was trusting in and he replied, “I was lost, and I asked the Lord Jesus to come into my heart and forgive me of my sins and save me.” What a blessing to hear those words from a young man! I gave him one of my tracts and he asked for another one. The young man said, “I want to give it to my pastor because I have never met anyone who has encouraged me to get out and witness for our Lord like you have.” Pray for him as he shares his testimony with others.

I pray the Lord will bless each one of you and burden your heart for the lost. Thank you for your faithfulness to the Lord and for your continued prayers and support on my behalf.

His servant,

*Mary Gilliam*
