## July & August 2011

July and August have been extremely busy for us and we are thankful for strength and safety during these weeks.

**Outside the prison:** Our Rock of Ages Conference was held in Dalton, Ga. this year and we really enjoyed the time we had to fellowship with ROA families from all over the world. We even had an all night prayer time and during the evening some missionaries on the field talked and prayed with us by computer.

Since we were so close to home, we had several of our home church family attend. We were so glad they came. We really had some good services with great preaching and singing. We just found out that our conference will be back there again next year. If you can, make your plans to be with us in July 2012. We would love to have you come!

**Inside the prison:** Brother Bruce and Sister Teresa Jackson, who are a great help to us and the ministry, was able to arrange for Babbie Mason to come for a Sunday evening chapel service. She was truly a blessing as she shared not only her talent in singing, but also her testimony. The women enjoyed her so much, some said they had been watching her on T.V.

Chaplain Susan Bishop, our new State Chaplain, has a traveling choir who came to Lee Arrendale with her when Metro State Prison closed. This group of ladies are able to go outside the prison to sing. Elaine, our grandson Cameron, and I went with them to a church in Jefferson recently. They really did a good job.

We have been having good chapel services and the women seem to be calming down some. We have seen many stand in the services to be saved, but we can only go on how many letters we receive telling us they were saved, not many have written. Only God knows how sincere they were.

**Praise report:** Recently Elaine had a health issue of some concern and had a test done. Thank the Lord she received a good report!

Because of His Grace,  
*Johnny & Elaine Jett*

*Thank you for your support of 100.00 in July and 100.00 in August.*
