

# The McCrum Family

March – April 2010

Our Dear Friends,

**Accident Update.** We had planned to send out a prayer letter in February, but because of the accident and the resulting chaos, it was overlooked. We trust you received our many updates during that time. Julie is now completely recovered, by God's grace. She only has occasional pain if she overdoes things—such as holding one-year-old fussy Jacob through an hour long service. Her shoulder is sore. Thank you for your prayers and support through this difficult time!

**A twelve-year-old who doesn't drink.** Cajetan is twelve years old (see photo of Dylan, left, and Cajetan, right, with Julie and younger kids at VBS). Recently his school hosted an event where the students were the waiters/waitresses, and many of his peers got into the alcohol reserved for the guests. Only Cajetan and one other boy refused to drink. Because of his stand, a Hindu mother whose son did get drunk is asking questions about the Gospel and how Christians train their children. Please pray for Vanessa and her family to be saved.

**Ripe Fruit.** Right now there are several couples and young people who look like "ripe fruit" to us, hanging on the branches, begging to be picked. We are pursuing these with the Gospel, by visiting them, having them in our home, and prayer. Please pray with us for Stompie and Nikki, Ettiene and Debbie, Christa, Becca and Dylan. We long to see them trust Christ. They all have just enough religion to bring confusion.

### Literature of Faith.

As we mentioned in our January letter, we have begun our Literature of Faith distribution. Last week 8,950 gospel tracts were mailed, and an order for another 10,000 was placed! The South African produced tract is printed double-sided in English/Afrikaans. You may read it at [www.FAITH.org.za](http://www.FAITH.org.za).

May God be with you,

**David, Julie, John, and Jacob**

Are you on the path to  
**Heaven?**

South Africa
